We the People
OF THE SOVEREIGN STATE OF TEXAS
DEMAND THE TOTAL AND IMMEDIATE
ABOLITION
OF
HUMAN ABORTION

☐ **FOLLOW THE CONSTITUTION**
A federal court forcing states to allow the murder of children is not just unconstitutional, it is evil.

☐ **STOP APPEASING EVIL**
The incrementalist bills we keep passing do not undermine Roe, they comply with and reinforce it.

☐ **END 45+ YEARS OF FAILURE**
Electing pro-life presidents to appoint pro-life Supreme Court justices to overturn Roe has not worked.

"Hate evil, love good; establish justice in the gate." –Amos 5:15
